

The

1966 Tattler Volume XX

Dedication

Through our four years of high school life at Cool Spring, we Seniors have been in contact with many persons who have influenced our educational and personal development. We consider the man to whom we have dedicated the TATTLER to be one of the most dedicated and influential of all these persons. He has contributed much to the student body, the faculty, the school, and the community. He has been unselfish in giving of his time and talent for our betterment. In grateful appreciation, we, the Senior Class of 1966, dedicate this XX Volume of the TATTLER to MR, PAUL R, BRENDLE,

A big catch! Fishing is one of Mr. Brendle's favorite sports.

Outdoors with sons, Ronnie and Pete.

A concerned teacher.

Coaching is a full-time job. Here the boys are learning a new play.

In Honor of

MR. AND MRS. R. R. LAZENBY "Doc and Blanche"

This year the Senior Class is happy to extend recognition to two persons who have, through the years, been a continuing and valuable asset to our school. Our class, along with all preceding classes, has benefited from their warm friendship and understanding sympathy. In Honor of MR, and MRS, R, R, LAZENBY.
